GET SET FOR LIFE

Vision: To create lifelong success stories.

Mission: To offer a meaningful, globally-connected and comprehensive educational programme to its students regardless of personal circumstance, so as to empower them to explore and develop their natural curiosity and creativity.

Motto: Nurturing imagination; inspiring excellence.

Dear Parents,

In the last few decades, India has emerged as a global icon more rapidly than anticipated. As India intermingles more intimately with the rest of the progressive world, our education systems must evolve and adapt to meet the innovative challenges of the 21st Century. HVB Academy, from its inception in 1963 and to this glorious day has in its mission statement embedded the vision to offer meaningful, globally connected and comprehensive educational programmes to all our students regardless of their personal circumstance so as to empower them to explore and develop their natural curiosity and creativity.

In its 50 Golden Years HVB has been one of the foremost ICSE educational institutes offering quality education in South Mumbai. Inspired by the lofty ideals of Mahatma Gandhi, HVB has striven to impart education aimed at the physical, mental, social and spiritual development of its students. HVB Academy is a multicultural school. It enjoys renown, not just for its academic excellence, but also for its emphasis on development in sports, culture, philanthropy and ethics.

HVB Global Academy, our International advent gained the prestigious International Baccalaureate Diploma Programme Authorization in 2010 and in 2014 HVB Global Academy receives distinguished standing as a fully authorized CIE school. In the age of conceptual art and heart we at HVB are consciously and continuously striving to empower our students and their journeys of discovery. HVB Global Academy readies its students for the future of which they are the proud custodians. With able guidance from the Board of Management and along with my team of internationally qualified staff, I look forward to welcome you to HVB. Let us Get Set for Life.

Yours sincerely,
Dr. (Ms) C.R. Pathak

Principal & CEO
HVB Global Academy.

"Treat education as an investment and not as an expense."

HVB Global Academy is a fully authorized by the CIE to provide Cambridge Education

Where will a Cambridge qualification take you?

Accepted worldwide

Choosing a course of study is one of the most important decisions a student will make. It is essential to check that qualifications are widely accepted and valued by further education institutes, universities and employers. Cambridge qualifications are recognised throughout the world. Cambridge students are widely accepted in top study destinations, for example the USA, UK and Australia, as well as many other parts of the world, for example South Africa and Germany.

Making the right choice

Cambridge international education programmes and qualifications follow a student-centred approach and are a global passport to success – in education, university and the workplace.

Cambridge IGCSEs are equivalent, grade for grade, with UK GCSE qualifications. Passing grades for Cambridge IGCSE are A*–G, with A* being the highest. U is Ungraded.

India

Cambridge International AS and A Levels, Cambridge IGCSE and Cambridge O Levels have long been recognised by the Association of Indian Universities (AIU) and this information is available in the 'Equivalence of Foreign degrees' published by the AIU. Universities and colleges in India are autonomous but in general follow the recommendations of the AIU.

These are as follows:

- five passes (including English) at grades C or above at GCE O Level or IGCSE and two or three passes at GCE A Level
- students intending to join medical or engineering degree programmes are required to have obtained: A Level passes in Physics, Chemistry, Biology/Mathematics and English (AS Level) in addition to five passes at GCE O Level/IGCSE.

Its Vision

The Cambridge approach supports schools to develop learners who are:

- **Confident** in working with information and ideas, their own and those of others
- **Responsible** for themselves, responsive and respectful of others
- **Reflective** as learners themselves, developing their ability to learn
- **Innovative** and equipped for new and future challenges
- **Engaged** intellectually and socially, ready to make a difference

International Education at HVB Global Academy

HVB Academy, founded in 1963, seeks to promote international-level education that is steeped in Indian values, in keeping with the principles of its founders. The school is run by a charitable trust managed by well-known entrepreneurs with vision and foresight. The school boasts of an impressive list of alumni who have carved a niche for themselves in various walks of life, in India and overseas.

Strategically located at the historic Marine Drive, a prime location in South Mumbai, the school has top-notch facilities on its campus. HVB Global Academy is one of the foremost educational institutions in south Mumbai. It is an independent, non-profit making, co-educational institution, and has four sections, viz. Playgroup, Pre-Primary, Primary and Secondary Education. The school currently has more than 1,800 students on its rolls.

HVB Global Academy takes this a step ahead with CIE. Cross-Curricular perspectives are a valuable part of learning and at HVB Global

Academy we strongly believe that it encourages motivation and engagement for our students. We adopt an “engaging” educational approach in which our students are accorded ownership of the learning process and encouraged to actively participate in their education by setting personal goals and self-assessment paradigms.

HVB Global Academy's rigorous academic training is complemented by a high degree of personal care. What better gift could ambitious parents give their eager children.

World Class Infrastructure

HVB Global Academy offers state-of-the-art infrastructure that makes learning a truly rewarding experience. Its aesthetically designed, temperature-controlled classrooms, spacious corridors, specialized resource center and superior laboratories are in keeping with international standards. Avenues for pleasure activities abound on the campus. Opportunities for extra-curricular activities are aplenty.

With individualised career counselling and university guidance programmes, the CIE at HVB Global Academy offers a springboard for the future success of your child. See your child 'Get Set for Life'

Cambridge Programmes and Qualifications

Innovative Curriculum

Cambridge Secondary 2 includes Cambridge IGCSE – the world’s most popular international qualification for 14 to 16 year olds. Syllabuses support schools by using learner-centred and enquiry-based approaches to learning. They describe the knowledge, understanding and skills learners will develop and explain how these will be assessed.

Our Curriculum

The Cambridge IGCSE curriculum offers a variety of routes for learners with a wide range of abilities, including those whose first language is not English. It develops learner knowledge, understanding and skills in:

- Subject content
- Applying knowledge and understanding to new as well as familiar situations
- Intellectual enquiry
- Flexibility and Responsiveness to change
- Working and Communicating in English
- Influencing outcomes
- Cultural awareness.

The syllabuses are international in outlook, but retain a local relevance. They have been created specifically for an international student body with content to suit a wide variety of schools and avoid cultural bias. The content, the structure and the administrative support mean Cambridge IGCSE answers the needs of more and more schools worldwide.
