EXTRAVAGANZA OF EXPRESSIONS
HVB GLOBAL ACADEMY

Dear Friends,

Greetings from HVB Global Academy!

At HVB Global Academy, we believe that true learning goes beyond textbooks - it is about **expression, exploration, and experience**.

"Extravaganza of Expressions" is a celebration of our learners' creativity, curiosity, and character. It reflects our commitment to holistic education — where academics meet innovation, and values meet vision. This two-day event embodies the essence of our school's philosophy: to nurture imagination and inspire excellence in every child.

Our aim is to inculcate a feeling of responsibility, giving and sharing, as well as healthy competitive spirit amongst the various participants who we strongly believe should be nurtured in the right manner to become conscientious citizens of tomorrow.

This event will take place on the **14th and 15th October 2025**.

I invite each of you — learners, parents, educators, and guests — to engage wholeheartedly. Let's make this celebration a joyful reflection of the vibrant spirit that defines our HVB community.

Thanking You,

With warm regards,

Dr. (Ms.) Chandrakanta R. Pathak
Principal & CEO

General Rules & Regulations of EOE

JALVAYU JAAGRUKTA

(Sustainable STEM Projects for Climate Change Solutions)

Theme : *Shifting Skies, Shifting Lives: The Global Impact of Climate Change*

Abstract:

Climate change is disrupting the delicate balance of Earth's systems, influencing every aspect of life — from the skies above to the communities below. Rising global temperatures, shifting rainfall patterns, melting glaciers, and warming oceans are reshaping weather systems and creating a cascading impact on agriculture, water resources, biodiversity, human health, and economies. This theme focuses on how these interconnected changes affect lives worldwide, underscoring the urgent need for collective action to build a climate-resilient future.
